LOUDER, PROUDER

Australia's favourite sportscar never rests on its laurels. The 2021 Mustang continues its best-selling combination of sleek design, advanced technology and superb performance, but now includes state-of-the-art connectivity that allows you to locate¹, lock and even start your Mustang remotely². It's a combination of raw power and unrivalled sophistication that never grows old.

12-inch Digital Cluster

This is the first all-LCD display ever offered in a Mustang. It's easy to view, fast, responsive, and absolutely beautiful. Set your ideal Electronic Stability Control, throttle, steering, exhaust and gauge appearance preferences with the touch of a button.

LED Headlamps with Automatic Levelling

Bright, white light, always exactly where you need it on the road.

DRIVE THE LEGEND

Nothing else offers the unique combination of classic style and exhilarating performance quite like the Ford Mustang. Whether it's the Fastback or Convertible, 5.0L V8 or High Performance 2.3L, the Mustang has a heritage few other cars can match.

5.0L V8 Engine

Expertly engineered to help maximise power from every compression, the Mustang GT's 5.0L V8 engine utilises a dual-fuel, high-pressure direct injection and low-pressure port injection system. Boasting 339kW³ of power and 556Nm³ of torque, this is the stuff of legends.

Mustang High Performance 2.3L

With an upgraded 236kW³ turbocharged engine, the 2021 Mustang High Performance 2.3L features Ford's EcoBoost powertrain, giving you more thrust when you need it.

Pre-Collision Assist with Pedestrian Detection⁴

Autonomous Emergency Braking is designed to help you detect if the car in front has unexpectedly stopped or a pedestrian steps out onto the road and can automatically apply the brakes if you don't.

WELCOME TO THE WORLD OF FORD CONNECTIVITY

Every 2021 Mustang comes fitted with an embedded modem known as FordPassConnect. Using the FordPass App on your smartphone⁵, you can locate your vehicle, lock and unlock the doors, and even start the engine remotely to heat or cool the cabin to the last known setting^{1,2}.

Scan this code for more information.

FordPass App appearance as at April 2021 with minimum iOS 12.0 software or later and compatible device.

Notes

Mustang High Performance 2.3L

Mustang High Performance 2.3L comes with a unique grille, 19" machined alloy wheels, magnetic bonnet spear stripes, side mirror caps and rear spoiler. Unique fender and rear badges complements the package.

Apple CarPlay & Android Auto⁶.

Apple CarPlay and Android Auto help you control some apps from your smartphone using the touchscreen, steering wheel controls, and voice assistant. Get turn-by-turn directions, traffic conditions,⁷ and estimated travel times from Apple Maps, Google Maps and even Waze.

LED Lighting

The Mustang now features all-LED lighting including signature tribar DTRLs, low and high beams, indicators, fog and tail lamps. There's even a 30 percent reduction in power consumption over the HIDs from the 2019 model year.

Active Valve Exhaust

Delivering an audible experience like never before, the Active Valve Exhaust system lets you choose exactly when you want to make your presence known. Four modes are available: Normal, Quiet, Track and Sport, tailoring the exhaust note for every occasion.

RECARO® Sport Seats

Trust RECARO® to provide the perfect balance of support and comfort in this optional sport seat.

Pony Puddle Lamps

A delightful surprise for anyone's first Mustang experience: the famous Mustang Pony emblem, projected at your feet by the side mirrors.

Sports Transmission

Mustang drivers can unleash performance two ways: either the responsive ease of the advanced 10-speed automatic with Launch Control or, for drivers who demand maximum involvement, the short shifting 6-speed manual gearbox.

1. Vehicle Locator only available when Vehicle Location setting is on. 2. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. 3. Performance Data measured using 98 RON fuel for GT, 95 RON fuel for 2.3L High Performance. 4. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 5. Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on ford.com.au/fordpass and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass Connect embedded modem and FordPass App can only work when connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. FordPass App Appearance as at July 2020 on compatible iOS device. 6. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 7. Traffic Message Channel is currently provided through an arrangement with Inteltelematics Australia Pty Ltd (Inteltelematics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangements with Inteltelematics cease for any reason. 8. Capless refuelling with misfuel inhibitor. 9. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that this fuel consumption figure will be achieved in real world driving conditions. Actual fuel consumption will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 10. Mustang 2.3L models specified in Magnetic will have Silver Bonnet Stripes. 11. Bluetooth® is a registered trademark of Bluetooth SIG Inc. and is used under licence. Please refer to ford.com.au for mobile phone compatibility. 12. Not all SYNC® 3 features are compatible with all phones. 13. The Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut-off. 14. Not compatible with optional MagneRide suspension.

Ford For Good

From supporting national causes to community volunteering, we take our social responsibility seriously. Find out more at ford.com.au/about/community

1. Warranty conditions apply. 5 year/unlimited km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles delivered from 1 May 2018. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees. 2. Available at participating Ford Dealers on 2019MY Endura onwards, 2019MY Focus onwards, 2019.75MY Ranger onwards, 2019.75MY Everest onwards, 2020MY Mustang onwards, 2020.25MY Fiesta ST onwards and 2020.25MY Focus ST onwards vehicles first purchased by a Private or Blue Fleet customer or as a dealer demonstrator/service loaner (CCLV) vehicle excluding vehicles purchased under Ford's Privilege Club or Ford's Dealership Employee Program. Offer valid for 4 years or 60,000km (whichever occurs first) commencing on the date of delivery to original owner except for demonstrator/service loaner (CCLV) vehicles, in which case it commences on the date it was first registered by a Ford Dealer. A or B Scheduled Service Items (and Additional Scheduled Maintenance Items which are not included) are set out in the Customer Assistance and Warranty Guide with the vehicle. See www.ford.com.au/service/t-and-c for full terms. 3. Available at participating Dealers. See www.ford.com.au/owners/service/ for full terms and conditions.

This brochure details specifications and features of the 2021.5MY Mustang Range onwards. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire 2021.5MY Mustang Range onwards. Please visit our website www.ford.com.au for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and Illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
